## Seeding Nearing Completion Locally

Seeding, by the end of the week will be pretty well wound up in this district from all estimates. According to some of the local farmers the prairie is green, a better growth of grass is evidence, than this district has seen for quite a few years. The slight shower Saturday evening and Sunday morning did not hold up operations to any extent.

At present we are enjoying the best of growing weather and in some fields the grain is showing quite green.

## 3 Star Entertainers Well Attended

A large crowd attended the show staged by the Imperial Three Star Entertainers.

The show throughout was very amusing to young and old alike with everything from Jitterbugs to slight of hand keeping the attention audience in fits of laughter from the beginning to the end of the two hour program.

The troupe went from here to Carmangay where they held an evening performance and from all reports was just as well attended and enjoyed as much.

## Students' Union Hold Supper

The Local Students' Union sponsored a very successful, both financial and socially, tea, bake sale and supper in the Savoy Hotel on May 18th.

Entertainment in the form of a continuous program was enjoyed from 3 till 9 under the able chairmanship of Reno Renaldi.

The young folks are to be congratulated on their efforts and should be given support in their objectives such as the one sponsored last Saturday.

## Wedding Bells Ring For Berger — Greig

A quiet wedding was solemnized in Calgary on May 19th when Susan Elizabeth Greig of Nanton and Gordon Cecil Berger of Champion were united in marriage by Rev T H Locke of the United Church.

The bride was dressed in a Queen's blue knee length dress with accessories to match and carried a corsage of Madame Butterfly roses.

A number of friends and relatives of the couple from both Champion and Nanton were present at the ceremony.

Attending the bride was Miss Ruby Tartiff with Harry Dwelly as best man.

The happy couple spent a few days in Calgary and returned to Champion on Tuesday evening where they will make their home.

## Local Ball Team Defeated 7 - 6

The local Hi-School nine took a 7 to 6 trimming from the Vulcan boys in the first game of the season on the home diamond on Friday evening. The Vulcan battery namely Allen Smith and Don Green was a little slow at the start but did a bit of good work in the last innings of the game.

The home town team boasted of Walter Anderson and Willie Goodman holding the key positions with Dick Depue on first.

In short the game showed the earmarks of early season playing but with plenty of practice the boys ought to whip up a good series of games during the coming summer.

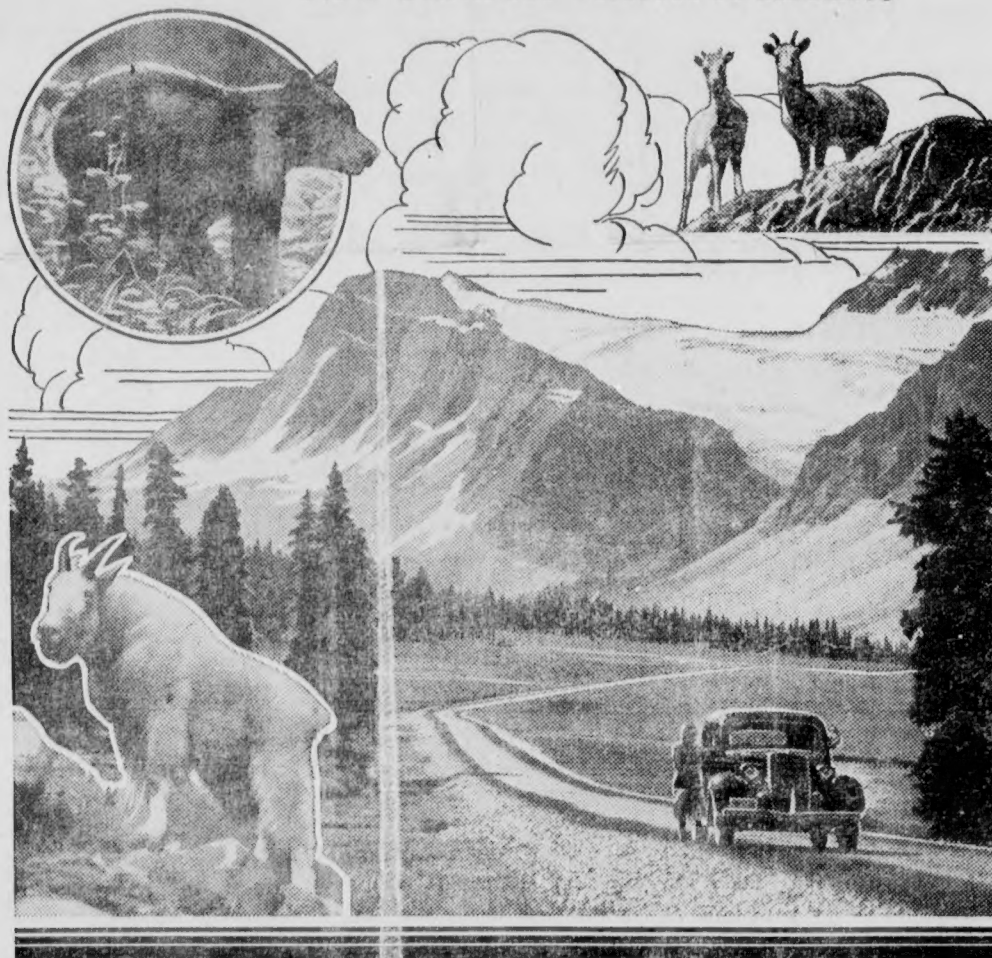

## Many Plan To Attend Sports Day at Stavely

By the time this paper reaches most of the subscribers the 24th of May will be a day of the past.

Champion is, according to plans, going to turn out in force to the Stavely Sports where the senior ball club will pit its strength and brains against the Stavely batsmen. The local boys are rather optimistic but the afternoon games will tell the story.

Champion first senior game of the year ended was postponed. Sunday broke raining and a phone call from Ferris Bouz van the Manager of the Champion Ball Club canceled the game for the day.

## Beautiful Columbia Icefield Highway New Thrill for Visitors to Rockies

The newly completed Columbia Icefield highway, leading northward from Banff and Lake Louise in the Canadian Rockies, will provide unique motoring thrills when it is officially opened for traffic in July. The new road, which cuts through one of the most beautiful sections of the mountain playground, furnishes direct access to the great Columbia Icefield, 150 square miles in extent, whose melting ice is the source of rivers which eventually find their way to three oceans, the Pacific, the Arctic and the Atlantic via Hudson Bay.

The highway runs through the very heart of the great mountain chain. It follows the valleys of a

succession of wild, tossing rivers; skirts impressive, age-old glaciers; runs along the shores of tumbling streams and jade-green lakes; passes roaring cataracts and rapids.

This mountain region is not barren or colorless. Instead, beneath great snow-capped peaks are great spruce and pine forests, glittering glaciers, translucent bodies of water, peaks looking for all the world as though huge paint pots had been spilled down their cliffs and terraces. Bears, elk, moose and other big game can be seen along the roadside and there is good fishing in the waters of the district.

This new highway promises to be an important factor in attract-

ing greatly increased numbers of visitors to Banff Springs Hotel, Chateau Lake Louise and Canadian Pacific mountain lodges this summer. An interesting programme of special events has been planned in view of the record numbers of visitors expected from all parts of this continent and includes the Indian Days celebration at Banff, July 18-21; Trail Riders of the Canadian Rockies, July 26-30; Sky-Line Trail Hikers, August 2-5; Banff Golf Week, August 18-24; Alpine Club of Canada outing to Glacier Lake, July 14-30; and Banff School of Fine Arts, August 1-31. The annual Stampede at Calgary, Canada's greatest Wild West show, will be held from July 8 to 13.

### Where News Comes From

A newspaper is largely dependent on the generosity of the people in the district it serves for news appearing in the paper. When one stops to consider it is seldom that a reporter happens to be on the scene when an accident occurs, a house takes fire or some other event of interest takes place. Consequently a weekly as well as a daily newspaper, is dependent to a great extent on the kindness of the general public in passing on items of interesting news. Without this help of the local division of a newspaper is seriously hampered. However there are incidents which happen in the presence of many people who fail to see any news value whatever in the occurrence. Such incidents may happen in their neighborhood so often that they are no longer news to them. They forget that people in other places would be interested. Many people see interesting and novel things yet never give the newspaper the story or at least a line on it. Later it may or may not be heard on the street corner but if it does not appear in the next issue of the paper the publisher will soon hear about it. A weekly newspaper is a public utility which for the small sum of three cents a week gives a very important service.

An effort is being made to have a sports day in Champion on July first and nothing could be more opportune not only from an effort to stimulate local sport but from the national point of view.

Leaders are everywhere stressing the importance of sport to keep high the morale of the people at home and abroad and the sports club officials are being asked by the government to continue with all their energy efforts to maintain home sport.

Get behind your local young people and as a community get together so that this day will be one long to be remembered in the history of Champion. The Chronicle will do its part and trust that it will have the wholehearted support of others in putting this over.

## War Savings New Plan

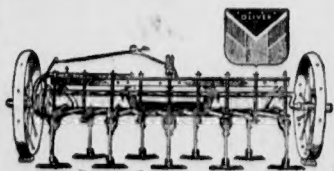

OTTAWA.—Plans for the sale of War Savings Certificates and the widespread acceptance of individual thrift programs as a war effort are now being organized. Hon. J. L. Ralston, Minister of Finance, has announced the appointment of W. H. Somerville of Waterloo, Ont. and de Gaspe Beaubien, of Montreal, as national chairman of the National War Savings Committee.

John Burns, of Calgary has been appointed Alberta chairman of the War Savings Committee. Provincial committees, to be announced in the near future will be representative of agriculture, labour, industry, finance education and the professions.

War Saving Certificates, to be sold in multiples of \$5, are designed to give everyone, including school children, an opportunity to share in the war effort in Canada's fight for freedom. In addition to making a very effective contribution to the mobilization of Canadian resources, War Savings Certificates provide an opportunity by which every Canadian, old and young, may build up a reserve of purchasing power.

Mr Burns, Chairman of the Alberta since September, 1901. He is President and Chairman of Burns Bros. Limited, Palm Dairies and Consolidated Fruit Company Limited of Calgary; a Director of the Royal Bank of Canada, Dominion Bridge Company Limited, Canadian Bakeries Limited, Metals Limit and a number of other companies. In addition to his interest as a trustee in Alberta schools Mr Burns is a Director of the Calgary Board of Trade Canadian Manufacturers Association and other national organizations.

Recognition Due  
Peter Dawson

The appointment of Hon. Pierre Casgrain, Speaker of the House of Commons from 1935 to 1940 to the portfolio to Secretary of State brings to the fore the claim of Peter Dawson to a post in the Aberhart Government and The Chronicle expresses the desire of not only Social Creditors but residents generally that in the first cabinet adjustment room be made for Mr Dawson.

Irrespective of party Mr Dawson won the admiration and respect for his conduct while in office as Speaker. While naturally favoring the Government in most instances his rulings were based upon the rules of the Assembly. It is not always possible to make adjustments in a Provincial Cabinet but The Chronicle is expressing the wishes of Mr Dawson's friends when it says that the local member could fill with distinction a post in the inner circles of the party.
